LIFE IS MONEY
No.1 Nightmare Game

Don't
be so
hard on
him

The world
is cruel to us
sometimes,
ya know?

Th
Thank
you so
much

Some
people say
"When a man
is drunk, you
should help
him" ya know?

Let's
talk a
bit

Where
can I
begin...

My little
sister has
been saying...

It's
nice
To share
a drink

I
needed
someone
to talk
to

Even if I die...
because of this
heart disease

Our lives
are bound
by our bonds
of friendship

Not able
to get
very much
money

I struggled
to pay the
medical
expenses...

Then someone
came and
gave me a
helping hand

But it
requires
a lot
of money

To save
her life,
a heart
transplant
is needed

No need... since having your tears in it is...

Here, this is an mel

I'm so sorry!

おめい、おめい

Index

This is
just me.
But I have
a suggestion.

It really
is a world
of money.

**100
Million!**

ONE....!

That's
not so
bad,
right?

There was
no choice
of running
away

The
answer is
"Yes" or
"No"

Kuhl

Here's
my
card

This
is a
commit-
ment

I'll let
you think
it overnight,
and can
tell me
tomorrow

Well

Yes...

After the transplant...

There is a chance for recovery right?

But only if... it is soon...

That
is why
I will...

gamble
with my
life!

Your
name and
contact
infor-
mation

On this
paper... Write
down

Then
it's
decided

Tomorrow,
the day after
tomorrow...
Until then,
see ya

I'll
contact
you
shortly

That is
what
keeps
driving
me

Memori's
simple
smile

I will
regret
my
entire
life

If I
don't
defend
this smile...

Uuh...

What
do you
want
as a
present?

You'll
be
turn-
ing
7

I don't
want
one!

Why?

Tomorrow's
my
birthday

Ooi-
sha

For the past
7 years... You
have never left
my side,
thank you...

I'm...
just glad
to have a
brother
like you...

Piriri

Who's...

Piriri

Who's calling?

Piriri

Toromatsky, Tatiana

Ganggang

Sure glad I was able to contact you

Yo!
It's been a while!

Hello

Wha...

Right
now?

Today
at
9 PM

A
group
of men
will come
for you

I advise
you,
resistance
is futile

Onii-
chan!

You'll
only
attract
her
enemy...

You'll
only
attract
her
enemy...

You'll
only
attract
her
enemy...

You are
now in
this game

Do you
still think
you have a
chance of
winning?

100
%

To get
you
here

I
cheated

Ku
ku

What?

You
still don't
realize it
yet?

Kuku...
I thought
it was pretty
funny.

I was...
getting
scammed?

Huh?

EH!?

And
coincidentally,
you needed
100 million
yen

By chance
having a
no-good
staff

Accidentally
meeting you
in the
bar

DO
YOU
KNOW
SACE
THE
BLOWING

THAT
WAS
YOUR
PURPOSE

TO TAKE
ADVANTAGE
OF YOUR
GRAVELY ILL
LITTLE
SISTER!!

Don't
tell me....
It was
you this
whole time!?

Wh...!

Ku
ku
ku

When do
I begin?

Are all
these
people
parti-
cipants?

Gonna be
serving as
moderator.
I am
Black
Tapia.

Hello

I'm

Tapia seems "friendly" and "friendly" saying he's the first and challenge in this game.
